Respected Sir,

We the residents of East and West Park Road, Malleswaram, beg leave to draw your urgent attention to the following matter and request you to kindly pass orders:

It was in the time of late Mr.Venkataranga Iyengar this Extension was drawn up with a long stretch of lung space between the East and West Park Roads Gradually one after another, sites for religious, co-operative and philenthropic institutions were given away by the Municipality and big buildings sprung up.

It will be seen that the very idea of the originator to put a Park and add to the beauty and grandeur of the City has not been accomplished.

It is now understood, that the only vacant space adjacent to Sri Rama Mandir, is claimed by the "Ubhayavedanta Pravartaka Sabha" and the Municipality have already approved to give up the same

May we be permitted to point out to you, Sir, that there is no space for children's playground for this ever expanding extension and the whole locality has become congested without any lung space

It is not in the interest of Town Planning and well-being of the dwellers of the locality to put up a building in the very few vacant places which could be better utilised as small parks and play-grounds for children

We request you to kindly pass orders directing the Municipality to put up a children's play-ground as in other parts of this City.

Thanking you,

We remain,
Respected Sir,
Yours faithfully,
